

Welcome to the Bega Valley

Walawaani (Welcome) from Yuin Country

There's something for everyone in the Bega Valley. With 12 charming villages, 4 major towns, and 225km of stunning coastline, it's no wonder nearly 36,000 residents call it home.

For ocean lovers, the area boasts world-class swimming, surfing, kayaking, and stand-up paddleboarding, with plenty of scenic spots to relax and take in the breathtaking views.

Villages are home to a thriving arts and music scene, complete with artisan stores, funky galleries, and curated vintage shops. Foodies will be delighted by the growing community of brewers and distillers that offer menus and tastings that are not to be missed.

The Bega Valley combines the best of both coast and country living and we are excited for you to be a part of our community.

The Welcome Experience

The Welcome Experience is a new service supporting essential government workers and their families who are thinking of moving, or have made the move to the Bega Valley.

The Welcome Experience is available for employees of, or those considering employment with, the Department of Education, Department of Health, Department of Communities and Justices, Fire and Rescue and NSW Police.

The service connects workers and their families with local people and resources to help them settle in and feel at home in their new community faster.

Everything from the practicalities of finding a place to stay, to choosing childcare and education.
